

Health Professions: Histotechnology

Conemaugh School of Histotechnology is a two-year Associate Degree program in conjunction with [Pennsylvania Highlands Community College](#).

Students complete the first year at Pennsylvania Highlands Community College and obtain a core group of courses. Students then apply to the Conemaugh School of Histotechnology. If accepted, education will continue in the Conemaugh School of Histotechnology at Conemaugh Memorial Medical Center.

Upon successful completion of the two-year program the graduate receives a certificate of completion from the Conemaugh School of Histotechnology and an Associate Degree from Pennsylvania Highlands Community College. The graduate will be eligible to sit for the American Society of Clinical Pathology Board of Certification Examination.
