

STUDENT MEAL PLANS

PENN HIGHLANDS COMMUNITY COLLEGE

Students may purchase a **Metz Meal Plan**. Meal plans are available each semester at the Richland Campus Café.

The Cubby

Our smallest plan, "The Cubby" lets the student purchase snacks along with the occasional breakfast or lunch as needed to help prepare you for classes.

This is a \$100 meal plan.

The Pawly

For the student who is always on the move, "The Pawly" is a plan that allows you to freely make purchases between classes or on the run. For ordering a \$175 meal plan, you will receive a \$10 bonus for a total beginning balance of \$185.

The Growley

For the student spending a little more time on campus, "The Growley" is a plan that allows you to feed your brain and feel confident that you are covered for lunch, drinks and snacks between classes. For ordering a \$350 meal plan you will receive a \$25 bonus for a total beginning balance of \$375.

How to Purchase

Students may use financial aid to purchase a plan. Login to myPEAK and go to the *Meal Plan* page under the "Pay for College" tab to complete the order form. Please note that students must have excess financial aid remaining on account after tuition, fees, and the \$1,000 allotment for books are deducted to cover the cost of the plan selected.

Students may also purchase meal plans directly through Metz with cash, checks, or money orders made payable to:
Metz Culinary Management

Please be aware that all meal plans must be purchased or cancelled before September 25th.

All terms and conditions of the meal plan are located on the Meal Plan page on myPEAK.

If you have any questions regarding the meal plan, please contact the Student Accounts Office at 814.262.6437 or by email at sfs@pennhighlands.edu.
