

ANNUAL GIVING CAMPAIGN **2021-2022**

Your gift can make a difference in a person's future.

For as little as \$150, you can help a student graduate.

SUPPORT OUR STUDENT EMERGENCY FUND

STATISTICS SHOW THAT THE MAJORITY OF COMMUNITY COLLEGE STUDENTS DON'T HAVE THE MEANS TO SUSTAIN FINANCIAL SETBACKS.

Sometimes debt as little as \$150 can stand in the way of a community college student graduating.

The current pandemic has exposed the large socioeconomic gap between community college students and four-year college students. Many community college students held down part-time jobs that were shuttered during the pandemic, causing additional strain to their educational goals.

60%

Helped students with transportation issues.

20%

Helped find and pay for temporary housing for dislocated students.

10%

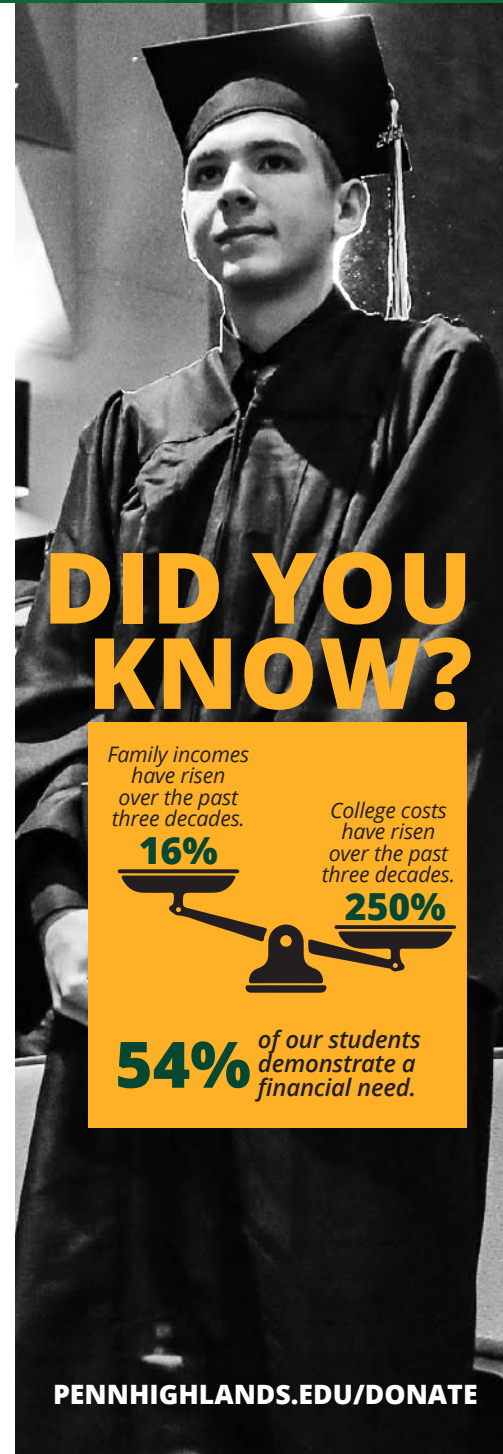

Helped students pay for school supplies not covered by financial aid.

10%

Helped students pay for utility bills, rent, and internet access.

DID YOU KNOW?

Family incomes have risen over the past three decades.

16%

College costs have risen over the past three decades.

250%

54% of our students demonstrate a financial need.
