**IMPORTANT NOTES:**

Students should seek an appointment with an academic advisor to determine the courses that properly meet each individual's academic goals and to discuss any and all transfer options. After completion, graduates can transfer seamlessly to Pennsylvania College of Technology as junior status.

**Registration Contact Information:**

Contact the Registrar's Office for additional information at registrar@pennhighlands.edu or 814.262.6439.

**NOTE:** This program is offered in partnership with the hospital-based histology technician diploma program at Conemaugh Memorial Medical Center. The College provides classroom instruction and the hospital-based program provides specialized classroom and clinical experience.

Students must complete the first year of this program before applying to Conemaugh School of Histotechnology for acceptance into the clinical program. The application process includes submitting official college transcripts and background clearances along with conducting an interview.
