WAITLIST PROCEDURE

Please read the following information and feel free to ask any questions of your advisor or staff member.

Students will be waitlisted for courses that are FULL and when there are no other sections within the content area available on the schedule (i.e. social science electives, humanities electives, etc.). Waitlists are managed through the Registrar's Office and can be implemented only when the Request for Waitlist form has been received with the student's signature.

If a seat becomes available for the course, the student will be notified through their college email or text message. A student will have 24 hours to accept or decline the course. If no response is given, the student will automatically be dropped from the waitlist.

It is the student's responsibility to manage his or her own schedule according to the published academic calendar and add/drop policy. Please contact the Registrar's Office for assistance and with questions.
