

ALL ACADEMIC PROGRAMS >>

At Penn Highlands, we're transforming futures across Pennsylvania with education that empowers. With a wide range of associate degrees, certificates, and diplomas, our structured academic pathways are designed to guide you toward success.

TRANSFER PROGRAMS >>

Transfer programs are your gateway to higher education. Associate of Arts (A.A.) and Associate of Science (A.S.) degrees are designed to give you the knowledge and skills needed for a smooth transition to the next step in your educational journey. Start building a strong foundation and unlock your path to a bachelor's degree.

CAREER ORIENTED & TECHNICAL PROGRAMS >>

Career oriented and technical programs are built for your future success. Associate of Applied Science (A.A.S.) degrees, certificates, and diplomas deliver hands-on, comprehensive training that equips you with the skills and expertise employers demand. With a focus on real-world experience, our programs prepare you for a seamless transition into the workforce and a confident start to your career.
